August 21, 2004

Dear Navioneer,

Wow! What a beautiful day at Shelter Cove. Foggy to the north and south but clear and high 60's weather at 0Q5. We had 4 Navions and 8 Navioneers. Not our biggest turnout but everyone present enjoyed the day and the company. An unscheduled change of the lunch site worked out well, the food was great. We even went back for desert.

Sedona, AZ (KSEZ) - September 11th – Overnight

September in Sedona promises milder weather than mid-summer. The summer thunderstorms have cleared out and it's significantly cooler. The best part is that it's still as beautiful as ever.

It's really not as far as you think. I just did a flight plan from OAK to SEZ and found it is just 5-1/2 hours including the stop for gas at Big Bear Lake. Route: Oakland-Panoche VOR (PXN)-Gorman VOR (GMN)-Big Bear (L35) for gas and a leg stretch, Twenty-nine Palms VOR (TNP)-Parker VOR (PKE) [then under the Bagdad 1 MOA]-Drake VOR (DRK)-Sedona (KSEZ). The whole trip can be made at any altitude above 8000'. Getting \$2.60/Gal gas at Big Bear is worth the trip these days.

Here's the plan. Saturday, lunch at 11:00 at the Sedona Airport restaurant. The food there is some of the best I've had at any airport restaurant and the prices are some of the best in Sedona. Saturday dinner at 6:00 at the Cowboy Club. A campy restaurant with a variety of food. Sunday Brunch (somewhere..) and fly home. In between all that there's lots of other things to do in Sedona. Shopping, art galleries, Red Rock tours, vortex tours, day spas and a beautiful place to do it in.

If you can stay two nights, the Sky Ranch Lodge (928- 282-6400 or 888- 708-6400) is right by the airport with spectacular views of the surrounding area. If Saturday night is what you're after the Best Western - Inn of Sedona (1-800-292-6344 or 928-282-3072) is at the foot of the Mesa with an airport shuttle available. You can rent cars at the airport through Sedona Car Rentals at the airport (928-282-2227 or 800-879-5337).

If you would like to make the trip but are without an airplane or if you will be going and have an extra seat or two let me know and I'll try to connect people. Please give me a call if you have other ideas for group things to do.

Hope to see you there - Bill

Mystery Flyin Revealed!
Sha-Boom!
October 30th - Vacaville

I've changed the date for the October flyin from the 31st to the 30th. Please correct your calendars!

"...there was lollipop with Peggy Sue. Good Golly, Miss Molly was-a even there, too!"
See old friends! Meet new friends! Saturday night!

Once more Bob Kelly comes through! I gotta hire this guy full time.

Saturday night October 30th, at Bob's palatial Vacaville (Nut Tree) airport hangar (A-6), there will be a 50's party! Bob is planning on somewhere around 150 people +/- a few, our Navion group, vintage car and trailer friends, airport/airplane friends, a few of Bob's customers and neighbors. We hope to have a great mix of folks with common interests that should make for a very fun party.

It is a Saturday and we intend to get started around 6:00 p.m. with dinner followed by dancing and some fun contest's, i.e., dance, limbo, hula hoop, etc.

Please RSVP to me by phone or email ASAP so that Bob can confirm the food order etc. I'll be the guest DJ for the night so if you have a special song make sure you let me know so I can hunt it up. We'll have all the old music (50's, 60's, 70's) and loads of fun.

So dig out those poodle skirts, comb your DA, and take your baby to paradise up above!

See you there - Bill

That's it for this month. Give me a call if you have thoughts or suggestions you'd like to share.

Bill Putney – President
